

Kaori hime False Holly/Tea Olive

(Osmanthus delavayi x heterophyllus 'Kaori hime' Party Princess®)

Mature Size: 3-5ft tall and wide

Exposure: AM Sun, prefers some shade during the heat of the day

Plant Highlights: Glossy dark green leaves typical of species but only ½" long. Extremely fragrant, tiny white flowers can appear in fall on very young plants. Easy to keep pruned, ideal in a rock garden, container or for bonsai.
