

Bonsai Workshop

Catbird Seat Garden Center and Living Art Bonsai Society are pleased to announce our second joint outdoor bonsai workshop. Following the ancient Japanese techniques and practices of bonsai, you will learn how to take a simple nursery-stock tree and begin to transform it into a work of living art.

The focus of this workshop will be on re-potting and root-pruning cold-hardy bonsai, that is trees that must remain outdoors year-round.

A follow-up styling workshop is planned for later this year as a continuation of this series.

Who: You! Members of Living Art Bonsai Society will be on hand to guide and assist you.

When: April 16, 2022, 1-4pm

Where: Huntsville Public Library, 915 Monroe Street SW, Huntsville
Main Auditorium; immediately to the right after the main entrance
